Dear Mr. Hoover:

I want to express my sincere appreciation to you and your Bureau for providing our institute on Americanism vs. Communism with such an effective key-note speaker. Mr. Arbor W. Gray inaugurated July 23 our three-week institute here at Valdosta State College. I could not have chosen a better person to present a discussion of communism in the United States.

Mr. Gray exhibits a profound knowledge of his subject matter and he presents his material in an enthusiastic, flawless manner that immediately challenges his hearers to a critical observation of the problem.

Mr. Gray's speech was one of the most balanced presentations on communism that I have ever heard. I only wish that a much larger number of people could hear his message.

I am very grateful to you for providing his services to us, and I hope that I will be privileged to have him speak to other groups in the future.

Very truly yours,

Dear Mr. Hoover:

This letter is being written to express our thanks to you for sending Mr. Arbor W. Gray to serve as the initial speaker at our recent Aviation Education Workshop.

He was excellent. Not only did he impress his audience by his knowledge and delivery, but he impressed them as a man. His material was beautifully organized, he has an excellent speaking voice, and the content of his presentation was geared exactly to the time and place. Even the questions asked of him could not have been better phrased to allow him to give answers that our audience needed very much to have. He personified the concept of the high type personnel that makes up the Bureau.

My wife and I found him a delightful guest and we sincerely hope that we shall be privileged to meet him again.

Respectfully,

Mr. J. Edgar Hoover Director

Dear Mr. Hoover:

This is a tardy letter to express for our National Board, and, I am sure, equally for all members and guests present at our annual dinner April 6th, our sincerest appreciation of the privilege of having with us as guest speaker Mr. Arbor W. Gray of your staff.

His concise and forceful report beautifully delivered made a profound impression upon all present, and while probably due to necessary regulations he did not go into details of our special problems regarding the Communist infiltration and debasement of the Arts this side of the Iron Curtain, his mere presence lent moral support to the League in its consistent efforts to alert the public to this phase of the enemy's diabolical efforts of subversion.

Thanks to the diligence of Frank Wright, a vice-president of the League and Editor of our Bulletin, plus clippings and other material sent by our readers we have, I believe, amassed considerable quantities of convincing evidence as to the source and purpose of not only social protest art, but the meaningless confusing and disturbing isms too.

Most important is that at long last rifts are being made in the Canvas Curtain that has closed the Art Press to traditional and realistic Art of Beauty, Craftsmanship and Integrity. The bottom is dropping out of the market for "modern art", and the public regaining confidence in its ability to know what it likes when it sees it.

Sincerely and appreciatively yours,

Wheeler Williams

Dear Mr. Gray:

On behalf of the student body and the staff and faculty of the United States Army Special Warfare School, I wish to thank you for the splendid presentation, "Countersubversive Techniques", to the Counterinsurgency and Special Warfare Staff Officer Course on 11 September 1963.

ADDRESS REPLY TO COMMANDER

NOT TO THE SIGNER OF THIS LETTER

My dear Mr. Hoover:

During Fiscal Year 1963, four members of your staff rendered valuable training assistance to this Command in providing MSTS Naval Reservists attending the COMSTS "Command Ocean Transportation Course" with presentations on both "Communism" and "Criminal Jurisdiction". These presentations were made by Special Agent J. F. CONDON, who has been recognized for the third consecutive year for participating in this training program; and by Special Agents Arbor, W. GREY and William M. MOONEY, also extremely effective speakers. In addition, Special Agent Joseph M. FITZGERALD again this year ably assisted in coordinating the scheduling of these presentations.

Each MSTS Naval Reserve Officer attending this Course was asked to evaluate the various presentations through a written critique. These officers consistently found the presentations given by your staff members to be outstanding in every respect, and a most important feature of their training duty. Comments from the MSTS Naval Reservists indicate that the presentations were considered valuable in acquainting them with the problems and duties relative to their mobilization assignments. The zeal and enthusiasm displayed in conducting these briefings was also a subject of comment.

I deeply appreciate the cooperation received and request that the gentlemen concerned be extended congratulations on a job "well done." They may be justly proud of their contribution to the Naval Reserve training program of the Military Sea Transportation Service, in better preparing the MSTS Naval Reservists to meet the varied exigencies of the future.

Dear Mr. Gray:

Thank you very much for the suggestion that damaged copies of a particular book be donated to certain hospitals. After careful consideration, it has been decided this proposal should not be adopted. Regardless of our motives in the matter, the donation of damaged goods might create an unfavorable impression.

The interest which prompted you to submit this idea to me is indeed appreciated.

NOTE: Suggests copies of the Director's book, "A Study of Communism," which recently suffered water damage in the basement of the Justice Building be donated by the FBIRA to Veterans' Hospitals.

The Training Division after consultation with Crime Records Division and SA Cleveland, FBIRA President, recommends suggestion not be adopted. It was decided that such a donation could occasion unfavorable comment despite the well-intentioned motive which prompted it.

SUGGESTION

That the copies of the Director's book, "A Study of Communism," which recently suffered water damage in the basement of the Justice Building be donated by the FBIRA to Veterans Hospitals.

Current practice or rule (Include manual citation as well as facts)

Offering them for sale at \$1 each to employees.

Advantages of suggestion and annual savings (include basis for estimate)

Most employees who are interested in buying a copy of the book at this date desire it for presentation as a gift and a water damaged volume is not suitable for this purpose.

Disadvantages of suggestion

None apparent.

(The use by the United States of my suggestion shall not form the basis of a further claim of any nature by me, my heirs, or assigns upon the United States. I understand that I will be considered for any justified award only if my suggestion is adopted within two years after submission.)

Dear Mr. Hoover:

On 29 August 1963, it was our pleasure to have on our program Mr. Arbor Gray, who spoke on "International Communism" to Reserve officers attending the Justice School for two weeks' training duty.

The Reserve officers were most complimentary in their remarks concerning Mr. Gray's presentation. His profound knowledge of the subject matter, his outstanding manner of delivery, and his ability to maintain a high degree of interest all contributed to an exceedingly fine performance.

Accordingly, on behalf of the Reserve officer attendees and the school's staff, I want to express our sincere appreciation for the wonderful presentation by Mr. Gray. I also wish to thank you for your kindness in permitting him to participate in the Reserve Seminar.

Additionally, I want to express my thanks to you for the copy of your book entitled "A Study of Communism" which was delivered to me by Mr. Gray and which I will read with great interest.

My dear Mr. Hoover:

I am writing this letter to thank you for the trouble your organization went to in providing the services of Mr. Arbor W. Gray in a week-long lecture series he conducted in the State University System recently.

I have personally talked to three of the Directors of the Institutes on "Communism and Americanism" to which he spoke and they were unanimous in their praise of Mr. Gray.

These work shops which are held annually for Social Science teachers to prepare them to conduct courses explaining the dangers of international communism are not as well financed as they should be. Because of the appearance of articulate, well-informed professional people like Mr. Gray, the courses were made to be a lot more meaningful than ordinarily would have been the case.

With heartfelt thanks, I remain,

Yours very respectfully,

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

- Rate items as follows:
+ Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

Dear Mr. Hoover:

Please accept our profound thanks for making available Mr. Arbor W. Gray as a speaker for our special summer institute on Democracy vs. Communism in World Affairs. Mr. Gray made a profound and favorable impression on all of the teacher-participants as well as on members of the Joint Legislative Committee who attended his luncheon-talk. Certainly you could not have selected a more personable and convincing representative. Mr. Gray's obvious dedication to his task and understanding of the subject matter served to make all of us feel that we can rest more easily at night, thanks to the superior service of the FBI.

May I add, in addition, our thanks for your two volumes, MASTERS OF DECEIT and A STUDY OF COMMUNISM. You may be interested to know that each of the teacher-participants in our summer workshop was presented with a copy of the latter and that it was also used in connection with a pilot project educational-TV program which our Institute conducted this past year in South Carolina public schools.

Honorable J. Edgar Hoover
Director, Federal Bureau of Investigation
Department of Justice
Washington 25, D. C.

Dear Mr. Hoover:

I wish to express the appreciation of the Military Assistance Institute for the cooperation and assistance offered by the following members of your staff:

Mr. William C. Sullivan
Mr. Arbor Gray
Mr. Joseph F. Condon

For the past five years they have presented a lecture to ten classes each year and participated in a panel discussion on the subject of "Communist Philosophy and Objectives". I regret that, because of the press of their duties, they will be unable to continue such participation.

Without exception, their presentations have been presented in an outstanding manner and reflect the excellence of performance exemplified by the FBI.

The participation of the above individuals in our program has required a considerable amount of time and effort on their part in organizing and delivering the presentations, which have been of immeasurable benefit to the student officers of all the Armed Services who have been assigned to Military Assistance Advisory Groups and Missions world-wide.

While the enclosed Certificates of Appreciation represent a small token of our gratitude for the outstanding cooperation given by the individuals named above, I wish also to extend my thanks to Messrs. Fred Baumgardner, Joseph M. Sizoo and Charles D. Brennan, who substituted for the principals at various times.

Sincerely,

Attached is the annual performance report for Special Agent (SA) Arbor W. Gray covering his services from 4/1/64 through 3/31/65. SA Gray is Unit Chief in charge of the Klan-Hate Groups Unit. In this capacity, he currently has three Agent supervisors and four clerical employees under his immediate supervision. His responsibilities are broad and varied, involving very delicate and complex investigative matters which have been made more so recently as a result of the racial tension in this country. In addition, SA Gray handles a number of speaking commitments before the public on the subject of communism and handles these delicate assignments with finesse and in a manner which has reflected much credit upon the FBI.

During this entire rating period as indicated by this rating, SA Gray has performed the most important functions of his position in a manner which substantially exceeds the normal requirements and has regularly volunteered to handle additional work. His work has been of an unusually high quality and has been most effective. This exceptional high level of effectiveness has been sustained over a period of years, particularly during this rating period, is expected to continue indefinitely and, when viewed as a whole, his performance merits a faster than normal salary advancement. Under the circumstances a quality within-grade salary increase appears to be more suitable recognition than a lump sum cash award under the Incentive Awards Program.

RECOMMENDATION:

REC-136

67-447989-136

That the attached performance rating be approved and that SA Gray be considered for a quality within-grade salary increase in recognition of his sustained superior performance.

**QUALITY SALARY INCREASES
INVESTIGATIVE PERSONNEL
DOMESTIC INTELLIGENCE DIVISION**

Mr. Sullivan has recommended the following five agents from his division for Quality Salary Increases in connection with the submission of their 1965 annual performance reports. These are in addition to six Outstanding ratings which have been approved for agents in the Domestic Intelligence Division and ten other Quality Salary Increases which are being handled separately. These men were rated excellent or outstanding on all items in their current performance reports and received over-all adjective ratings of Excellent. Mr. Sullivan in justification certified that they have performed the most important functions of their positions in a manner which substantially exceeds the normal requirement; their work has been highly effective; this exceptional high level of effectiveness has been sustained during the rating period and is expected to continue indefinitely; and when viewed as a whole, their performances merit a faster than normal salary advancement.

In addition to the foregoing, they are completely available, their overtime has been satisfactory and no administrative action has been taken against them during the rating period. There follows additional specific comments regarding each for the past year.

SA Charles D. Brennan - EOD 4-19-48, GS 14, \$16,620. No commendations; received Quality Salary Increase 5-10-64 for sustained superior performance during prior year.

SA Daniel J. Brennan, Jr. - EOD 1-19-48, GS 15, \$18,170. No commendations. b6

SA [redacted] - EOD 4-19-48, GS 14, \$16,620. No commendations; received Quality Salary Increase 5-10-64 for sustained superior performance during prior year.

SA Arbor W. Gray - EOD 11-6-50, GS 14, \$15,640. No commendations.

SA Vinicio H. Nasca - EOD 8-19-46, GS 14, \$16,620. No commendations.

A careful review of information submitted by Mr. Sullivan, including the performance reports and agents' personnel files, indicates that Quality Salary Increases are justified and would be more suitable recognition for their superior performances than cash awards under the Incentive Awards Program. Mr. Edwards, who is in the third week of the Domestic Intelligence Division inspection, advised nothing has been found which would preclude these men from receiving special recognition.

RECOMMENDATION:

That SAs Charles D. Brennan, Daniel J. Brennan, Jr., [redacted] Arbor W. Gray, and Vinicio H. Nasca be approved for Quality Salary Increases effective 5-9-65.

Dear Mr. Gray:

I wish to extend my sincere thanks to you for the fine presentation you gave at the Religious Conference in Raleigh recently.

I have heard from many of those who attended that they felt that your talk gave the real true picture of the Communist threat to our society and the manner in which it is being combated.

I did not have the opportunity to hear you when you lectured at East Carolina College last Summer but I can well understand why so many of the teachers commented so favorably of your presentation at that time.

I hope we will have the opportunity of meeting again in the future.

Very sincerely yours,

RE: Mr. Arbor W. Gray

Dear Mr. Hoover:

I have on many occasions written you concerning the presentations made by members of your organization before conferences made up of educators, businessmen and church leaders. It was my pleasure yesterday to be in the audience when Mr. Arbor W. Gray, of your office, presented a talk, "Communism In the U. S." This speech was one of the most outstanding presentations I have ever heard relative to the Communist Party U.S.A. and the threat it represents to our nation. The image of your organization projected by all of your agents I think is superb but in Mr. Gray's case, the ultimate has been reached.

The attached brochure does not reveal that there were in the audience, in addition to the presiding Bishop Paul N. Garber of the Eastern Conference of the Methodist Church, over one thousand clergymen and key lay leaders. There is no way, of course, to estimate the impact of Mr. Gray's speech but I think it has gone a long way towards clarifying the internal problem of Communism in the minds of many North Carolinians.

Yours very respectfully,

Peter C. White

Dear Mr. Hoover:

The National Security Agency has recently completed its third annual Security Week. We were most fortunate to have Mr. Arbor W. Gray address two large groups of our personnel on the topic, "The Communist Party in the United States - The Current Status." Also, we acquired the Bureau's most attractive graphic display on "Communism" through Special Agent James Healy, who coordinated the acquisition efforts.

As an integral part of our Security Education Program at this Agency, Security Week was designed to impress on all our personnel the importance of vigilant security awareness. The presentation of this year's theme, "The World-Wide Threat of Communism," was greatly enhanced by the combination of Mr. Gray's authoritative address and the excellent display.

I wish to take this opportunity to thank you for making possible Mr. Gray's participation in the program and for making available the exhibit. Your continued assistance in our Security Week programs is but one example of the continuing cooperation that we have received from the Federal Bureau of Investigation on matters of mutual security interest.

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
= Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

The purpose of this memo is to recommend that SA Arbor W. Gray be designated Number One Man to the Section Chief, Research-Satellite Section, Domestic Intelligence Division, to replace SA Richard W. Corman effective upon his ceasing active duty for retirement purposes 6/4/65.

SA Gray entered on duty 11/6/50, is in grade GS-14, \$16,130, was born in Pawtucket, Rhode Island, is 42 years old, married with two children, and has a Bachelor of Laws Degree. He has had extensive investigative and administrative experience in the field and at the Seat of Government having served as a Relief Supervisor in the New York Office and as a Supervisor in the Domestic Intelligence Division since 12/3/56. He had served as Supervisor in Charge of the Current Research Unit of the Central Research Section until reorganization of this Section in October, 1963, at which time he was assigned the responsibility of supervising investigation of Polish matters. In August, 1964, he was designated Supervisor in Charge of the Klan Unit when this unit was transferred from the General Investigative Division to the Internal Security Section of the Domestic Intelligence Division. In addition, he has continued to handle speaking engagements on communism. Mr. Sullivan recommends SA Gray as particularly well-qualified for the position of Number One Man in the Research-Satellite Section in view of his experience in both investigative and research phases of the Section's work.

The over-all Bureau record of SA Gray has been excellent since he has been commended on numerous occasions and was awarded two cash awards, one meritorious increase in salary and two quality within grade increases, the last being 5/9/65. He has been censured once 6/4/57 for an error in a monograph. He was interviewed by the Screening Committee 11/29/61 and described as one of the better prospects interviewed. He is interested in, available for and considered to have excellent qualifications for administrative advancement. His weight and overtime are satisfactory.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Arbor W. Gray Title Special Agent, GS-14
Rating Period: from 6/14/65 to 8/12/65

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

Dear Mr. Hoover:

I want to thank you for again assigning Mr. Arbor Gray the task of speaking to our Institute on Constitutional Democracy & Totalitarianism on communist organization and tactics. His lecture this year ran for three hours and was even more fascinating than his shorter lecture of last summer.

We feel that the F. B. I. lectures are a valuable part of our programs. The students not only learn a great deal about communist activities in the United States, but also get a better insight into the high caliber of F. B. I. personnel who deal with the problem.

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

Dear Mr. Gray:

We want to express our deepest appreciation to you for being with us at our Naval Academy Christian Association Meeting last night. It was very stimulating to all of us to learn of the various activities of communism within our country and to know that we as a nation are alert and countering their every move. The interest and appreciation of the Midshipmen was very evident by the numbers who remained after the meeting when they should have been returning to their rooms for study. Your enthusiasm made it even more interesting and enjoyable for all of us.

We would be most happy for you to return for a visit with your family at any time it is convenient for you. Just give us a call and we will be happy to have seating for you in the Chapel. We are very sorry that your wife could not come and share the evening with us.

It is our understanding that you as an agent of the Bureau are not permitted to receive an honorarium for expenses, however, if this is not true, please let us know and we will be most happy to reimburse your expenses and forward our usual honorarium.

Best wishes to you and yours,

Sincerely yours,

PROMOTIONAL MATTER

It is recommended that Special Agent Arbor W. Gray, Number One Man to the Section Chief, Research-Satellite Section, Domestic Intelligence Division, be considered for reallocation from GS-14 to GS-15. The annual performance rating of SA Gray reporting his superior performance of duty is enclosed.

SA Gray entered on duty as a Special Agent on November 6, 1950, and has had extensive investigative and administrative experience in the field and at the Seat of Government. He reported to the Seat of Government and was assigned to the Domestic Intelligence Division on December 3, 1956. After an initial period as a supervisor in the Central Research Section, SA Gray served as Supervisor-in-Charge of the current Research Unit, Central Research Section, Domestic Intelligence Division. With the reorganization of this Section in October, 1963, he was assigned the responsibility of supervising an investigative desk in the newly reorganized Research-Satellite Section. In August, 1964, SA Gray was designated Supervisor-in-Charge of the Klan Unit, Internal Security Section, Domestic Intelligence Division. On June 14, 1965, SA Gray assumed duties of Number One Man to the Section Chief, Research-Satellite Section, at no change in grade or salary. Having worked previously in both the research and investigative phases of this Section's work, SA Gray quickly grasped both the substantive and administrative duties. He has exhibited considerable ability to plan and execute work of the Section. Memorandum for Mr. Sullivan
Re: SPECIAL AGENT ARBOR W. GRAY

In addition, Mr. Gray continues to carry out on a selective basis speech assignments regarding communist subversion in a superior manner.

SA Gray has sustained an excellent record at the Seat of Government. During this period, SA Gray has received numerous letters of commendation and one letter of censure. This letter of censure was dated June 4, 1957, and related to a typographical error appearing in a monograph. Also during this period at the Seat of Government SA Gray has been granted one incentive award and two quality within-grade salary increases. He has been in GS-14 since December 24, 1961.

Mr. Gray was interviewed by the screening committee on November 29, 1961, and described as one of the better prospects interviewed. He is interested in, available for and considered to have excellent qualifications for administrative advancement. His weight and overtime are satisfactory.

RECOMMENDATION:

In consideration of Special Agent Arbor W. Gray's superior and sustained high level of duty performance and his responsibilities as Number One Man to the Section Chief, Research-Satellite Section, Domestic Intelligence Division, it is recommended that he be considered for reallocation from GS-14 to GS-15.

On June 14, 1965, Special Agent Arbor W. Gray assumed duties as the Number One Man, Research-Satellite Section. Having previously worked as a Supervisor in both the research and investigative phases of this Section, Special Agent Gray has quickly grasped both substantive and administrative duties. He is a superior Supervisor, exercises sound judgment, is resourceful, displays superior initiative, and effectively handles the most complex matters. SA Gray is a conscientious worker who readily assumes responsibility. An outstanding quality possessed by SA Gray is his ability to meet the public and give effective lectures on the subject of communism. He presents a most substantial personal appearance and is a definite asset to the Bureau. He is completely qualified and available for administrative advancement.

SA Gray has been assigned

and has been Number One Man of the Research-Satellite Section since 5/27/65. It has been noted during the course of the inspection that he is highly enthusiastic about the work of the Section, conversant with the complexities of his position, and most thorough in carrying out the duties of a Number One Man. He is also a highly qualified public speaker, handling some of the Bureau's more difficult speech assignments on the topic of communism.

Mr. Sullivan's comments concerning SA Gray's sound judgment, resourcefulness, and initiative appear to be well taken. Since the last inspection he has received a quality within-grade increase. No substantive errors or major delinquencies were found in the sphere of his supervision.

SA Gray presents an excellent appearance, which is a definite asset with respect to his various outside speech commitments. He expresses himself well, handles his duties in a friendly, though businesslike, manner, and is fully qualified, available for and has excellent potential for administrative advancement.

Dear Mr. Hoover:

This opportunity is availed to express to you and through you to Mr. Arbor W. Gray sincere appreciation for the splendid address which he so ably delivered to our membership assembled in banquet on the evening of 7 May.

Unfortunately many of our delegates were ill, hospitalized, or, in the case of active duty personnel, were enroute overseas. Nevertheless, Mr. Gray certainly acquitted himself in keeping with the finest traditions of your unblemished organization.

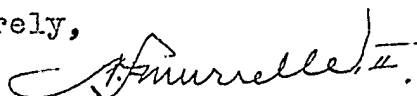

The reaction of those assembled and to the many to whom the message was carried have responded most appreciably. He clarified the air for the thinking of many.

As the then President, I pledged the full support of our organization in Virginia to you and to your Special Agents and it is believed that henceforth your representatives will be given whatever support that may be requested. During the entirety of my term, I have stressed your responsibility and Mr. Gray ^{clarified} the matter very well, so that it is my opinion that our officers more fully know of your varied and complex responsibilities.

It was my official privilege to cite you for our highest Department award and I shall arrange through your SAC Joseph Purvis to make the presentation when it will least inconvenience you.

Again the deepest gratitude of the Department of Virginia, Reserve Officers Association, USA, and my personal appreciation.

Sincerely,

SUBJECT: Letter of Appreciation

Upon the conclusion of the Office of Security's most recent Special Agents Course, my colleagues join me in voicing our gratitude to you for making available Mr. Arbor W. Gray as a guest speaker in this program.

Mr. Gray delivered an exceptionally fine presentation on the history, organization and movements of the Communist Party and other current subversive organizations in the United States. His penetrating analysis of the subversive threat reflected a depth of information and experience. This, coupled with his superior speaking ability, epitomized the highly qualified personnel for which the Federal Bureau of Investigation is so distinguished and justly proud.

I would appreciate your consideration in relating to Mr. Gray my commendation for his positive efforts on our behalf.

Mr. W. C. Sullivan

CENTRAL INTELLIGENCE AGENCY (CIA)
SEMINAR - COMMUNIST PARTY
ORGANIZATION AND ACTIVITY

On 10/28/66, Special Agent Arbor W. Gray gave a lecture at CIA on the subject of "Current Tactics and Objectives of the Communist Party - USA." Approximately 500 CIA employees, including several high ranking officials, were present in the CIA audience.

This is to advise that Mr. Gray's presentation was so impressive and unusually outstanding that several CIA employees, including the top officials, contacted the Liaison Agent and were most complimentary. Mr. Gray was referred to as an unusually "well poised professional" who thoroughly knew his subject. Mr. Gray was particularly effective in handling questions from the audience.

It was the observation of the Liaison Agent that the Bureau's reputation and stature were decidedly enhanced by Mr. Gray's performance.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee ARBOR W. GRAY

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
0 No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

Dear Mr. Gray:

On behalf of the members and guests of the Fort Belvoir Post Society of American Military Engineers, I wish to thank you for being our guest during our monthly luncheon meeting on 10 May 1967.

Your address on present day activities of Communism was most enlightening and appropriate. I'm sure all in attendance are more fully aware of the need to be ever alert to the threats that Communistic activities present to our way of life. Not only did your address provide much-needed information, but it was presented in a most interesting fashion.

Thank you again for presenting us with a most informative luncheon address.

**INCENTIVE AWARDS
Investigative Personnel
Domestic Intelligence Division**

The purpose of this memorandum is to recommend SAs Otho A. Ezell, Arbor W. Gray, [] and Theron D. Rushing for recognition for their superior work in the last year as indicated by the attached Excellent performance reports. b6

It is certified that SAs Ezell, Gray, [] and Rushing have performed the most important functions of their positions in a manner which exceeds the normal requirement and that this exceptional level of effectiveness is expected to continue indefinitely. b6

In addition to the foregoing, no administrative action was taken against these Agents during the rating year with the exception of SA Rushing who was censured twice for correspondence errors. They are completely available and over-time satisfactory. There follows additional specific comments regarding each for the past year:

SA Ezell EOD as SA 5-1-39, GS-15, \$21,469. No commendations. b6

SA Gray EOD 11-6-50, GS-15, \$20,243, and was commended once through a superior.

SA [] EOD 8-21-50, GS-15, \$19,630, and was commended once through a superior.

SA Rushing EOD 1-19-48, GS-15, \$20,856, and was censured twice for errors in correspondence.

A careful review of these Agents' performance ratings and personnel files indicates that recognition is justified and cash awards under the Incentive Awards Program would be appropriate.

RECOMMENDATION:

That SAs Otho A. Ezell, Arbor W. Gray, [] and Theron D. Rushing each be afforded an incentive award of \$400. b6

INSTRUCTIONS TO EMPLOYING AGENCY

1. **Who must file.**—All employees not excluded by law or regulation from insurance coverage, including those who have previously waived coverage, are required to complete and file Standard Form 176-T. Employees who are in the service on February 14, 1968, as well as those who are appointed after that date but before April 14, 1968, must file the form.
2. **Automatic cancellation of previously filed waivers.**—All "Waivers of Life Insurance Coverage" (SF 53) on file are automatically canceled as of the first day of the first pay period beginning on or after February 14, 1968. Payroll offices are to begin regular insurance deductions on the automatic cancellation date for employees who do not file a new waiver, i.e., those who do not check box **C** of SF 176-T, on or before that date.
3. **Employees failing to file.**—If an employee does not return a completed SF 176-T, contact him and urge him to do so even if he does not want optional insurance (he will, of course, be automatically covered for regular insurance). If he still fails to file SF 176-T by April 14, 1968, or 31 days after appointment, whichever is later, file one for him as of that date: mark box **B**, and note in the space provided for his signature "employee contacted—failed to elect optional insurance." See note 2 below.
4. **Review of completed forms.**—(a) Review both copies of the SF 176-T for legibility, completeness, and consistency. Reconcile with the employee any obvious major discrepancy such as a mark in more than one box.
(b) If the employee marked box **A** or box **C**, make sure the Statistical Stub is complete. Then detach and mail stubs, in a bundle, weekly to:
Office of Federal Employees' Group Life Insurance
(Statistical Study)
4 East 24th Street
New York, New York 10010
(c) If the employee marked box **B**, detach and destroy the stub.
5. **Date of receipt and effective date.**—(a) Stamp date of receipt by employing office in the space provided for this purpose on both the Original and the Duplicate.
(b) The effective date is determined from the table below.
6. **Disposition of forms.**—(a) File the Original SF 176-T in the official personnel folder in all cases.
(b) Any necessary payroll change, with effective date, may be posted in the space reserved on the Duplicate for employing office.
(c) The Duplicate may be destroyed, if no payroll action is required, or after the requirements of the agency's payroll system have been met.
7. **Use of SF 176-T.**—SF 176-T "Election, Declination, or Waiver of Life Insurance Coverage" should not be used after the initial filing period (after April 14, 1968). A revised edition will be available for use after that date.

TABLE OF EFFECTIVE DATES

DATE SF 176-T RECEIVED BY EMPLOYING OFFICE	EMPLOYEE'S DECISION	EFFECTIVE DATE (IF NO WAIVER, SF 53, IN EFFECT)	
		OF DECISION	OF DEDUCTIONS
On or before February 14, 1968.	Elects optional (in addition to regular) (box A).	Coverage effective February 14, 1968.	Deductions begin 1st day of 1st pay period beginning on or after February 14, 1968.
	Declines optional (but not regular) (box B).	Declination effective February 14, 1968.	
	Waives regular (so ineligible for optional) (box C).	Waiver effective last day of pay period in which February 14, 1968 falls.	Deductions stop last day of pay period in which February 14, 1968 falls.
After February 14 but not later than April 14, 1968.	Elects optional (in addition to regular) (box A).	Coverage effective on date of receipt.	Deductions begin 1st day of 1st pay period beginning on or after date of receipt.
	Declines optional (but not regular) (box B).	Declination effective on date of receipt, but employee loses automatic optional protection on February 14, 1968.	
	Cancels previously elected optional (but not regular) (box B).	Cancellation effective last day of pay period in which received.	Deductions for optional stop last day of pay period in which received.
	Waives regular (so ineligible for optional) (box C).	Waiver effective last day of pay period in which received.	Deductions stop last day of pay period in which received.

- NOTES: 1. Because regular insurance coverage and deductions are automatic unless waived (by checking box **C**), **A** and **B** elections do not affect regular insurance effective dates.
2. An employee for whom the agency files SF 176-T because he failed to file is deemed to have declined optional, but not regular, insurance.
3. An employee with an uncanceled waiver (SF 53) on file cannot be insured any earlier than the first day he is in duty and pay status in a pay period beginning on or after February 14, 1968; filing of an SF 176-T before that date will not cancel an SF 53 any earlier. Deductions begin the day he becomes insured.
4. The effective date of regular (and optional) insurance coverage for an employee who has been on leave without pay for more than 1 year is the first day he is in pay and duty status. Deductions are effective the same day.

In accordance with our earlier correspondence, the Office of Security was privileged to have Mr. Arbor W. Gray address our first Special Agent Seminar on Thursday, September 21, 1967.

Mr. Gray's superb presentation once again fulfilled our expectations in every way for he is a highly knowledgeable and polished speaker. His review of recent Communist strategy, followed by a timely and in-depth discussion of other movements affecting the internal security of our nation, surely enhanced our knowledge and appreciation of the potential influence these subversive forces could have on the American scene.

My staff and I are indebted to Mr. Gray for his very distinguished contribution to our Special Agent Seminar. I am most appreciative to you for permitting Mr. Gray's availability and hope you will convey to him my highest esteem and commendation.

SUBJECT: Request for Guest Speaker

State Dept

R. W. Smith
M. A. Jones

Highlights of the training programs which the Office of Security inaugurated several years ago for its investigative personnel have been the presentations by guest speakers we were privileged to obtain from the Federal Bureau of Investigation. Because of the very significant contributions of the Bureau's representatives to the success of our mission, we would like once again to request your approval in providing a guest speaker to address our Special Agent Seminar which will be convened through the week of September 18 - 22, 1967.

This conference will be attended by experienced special agents from our domestic field offices in the United States. We believe that a current appraisal of Communist strategy and related problems affecting the internal security of our nation by a representative of the Bureau would be extremely advantageous in helping our personnel discharge their functions.

Mr. Arbor W. Gray provided us with an outstanding presentation last year and we would be immensely pleased to have him with us once again providing there is no conflict with the Bureau's operations. If this request meets with your approval, we would like to have Mr. Gray address the seminar on Thursday, September 21, 1967, from 10:00 a.m. to 12 noon in Conference Room 1408.

I earnestly hope for your favorable consideration.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

RATE ITEMS AS FOLLOWS:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective ratings:

- "Outstanding" adjective rating requires (A) that all elements be + and (B) that each and every rated element be factually justified by narrative details, including reasons for considering each worthy of Special Commendation and be attached to FD-185a.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An official rating of "Unsatisfactory" must be supported in writing stating (1) wherein the performance is unsatisfactory, (2) the facts of the (90-day) prior warning, and (3) the efforts made after the warning to help the employee bring his performance up to a satisfactory level and must be attached to FD-185a.

DATE: 5/14/68

FROM : SAC, SALT LAKE CITY (67-3375)

SUBJECT: ARBOR W. GRAY, SPECIAL AGENT
DOMESTIC INTELLIGENCE DIVISION
COMMENDATION MATTER

This is to recommend an individual letter of commendation for Special Agent ARBOR W. GRAY of the Domestic Intelligence Division in connection with his exemplary performance in speaking at the University of Utah on May 10, 1968.

The University of Utah, Salt Lake City, Utah, during April, 1968, expressed an interest in having a representative from the Federal Bureau of Investigation speak at the school on a subject pertaining to Communism. PAUL CRACROFT, Director of Lectures and Concerts, requested the Director make available a speaker, and Mr. GRAY was accordingly assigned.

In his appearance on May 10, 1968, at the University of Utah, Mr. GRAY delivered a most eloquent speech on the topic of "Spectrum of Extremism." He outlined to the audience the constant threat of Communism and certainly left no doubt in the minds of his listeners that the FBI is on top of the situation. His presentation was masterful and the facts he related certainly made an impression. The FBI was proudly represented at the University of Utah by the appearance of Mr. GRAY.

Mr. CRACROFT, along with Mr. PARRY D. SORENSEN, an SAC Contact who is Assistant to the President of the University of Utah, both were most complimentary in discussions with me of the presentation of Mr. GRAY. They expressed their gratitude to the Director for making possible the appearance of Mr. GRAY. Highlights of Mr. GRAY's appearance and presentation were carried on two of the major TV stations in Salt Lake City, as well as all the radio stations. Local newspapers also publicized his appearance and carried a summary of his address.

The appearance of Mr. GRAY here in Salt Lake City has been most beneficial. I consider his presentation most outstanding, not only from the standpoint of information related but also in the masterful manner in which he performed as a Bureau speaker. I feel the performance of Mr. GRAY in this instance is exemplary and warrants special recognition in the form of an individual letter of commendation, which is being recommended.

ADDENDUM: DOMESTIC INTELLIGENCE DIVISION 5/16/68 *RWS:ebp*

Special Agent Arbor W. Gray, Domestic Intelligence Division;
EOD November 6, 1950; GS-15

SA Gray is an experienced and capable Bureau speaker. His speech assignments in the past have been the subject of favorable comments by persons outside the Bureau. SAC, Salt Lake City, advised that SA Gray on May 10, 1968, delivered a most eloquent speech at the University of Utah and left no doubt in the minds of his listeners that the FBI is on top of the situation.* He also stated that persons associated with the University were most complimentary of Mr. Gray's presentation. In view of the exemplary manner in which SA Gray carried out this speech assignment, SAC, Salt Lake City, recommends that SA ^{Arbor W.} Gray be recognized in the form of an individual letter of commendation from the Director. As this appearance at the University of Utah appears to have been most beneficial to the Bureau, the Domestic Intelligence Division concurs with the recommendation of SAC, Salt Lake City.

*SA Gray on this occasion spoke on the topic of "Spectrum of Extremism" and outlined to the audience the constant threat of communism.

Thank you for sending Arbor Gray to the University of Utah on May 10.

He did an excellent job. We had a smaller crowd than we had hoped for because of some heavy competition in the city, but reviews of his speech extended his remarks to a much wider audience.

This is to recommend that SA Gray, Number One Man, Research-Satellite Section, Domestic Intelligence Division, be promoted to Section Chief to replace Section Chief Richard W. Smith, who is retiring effective COB 1-10-69.

Mr. Gray has an excellent Bureau record, having had extensive investigative and supervisory experience. He has an outstanding background in both investigative matters and research work and has established an outstanding record as Number One Man of the Section since he assumed these duties, 6-14-65. Since then, he has not been censured and has been commended on six occasions and in addition, has received two incentive awards for his outstanding performance. On 4-8-68 he received an incentive award for the splendid manner in which he had performed his duties during the preceding year.

Mr. Gray presents an excellent personal appearance, is articulate and makes an outstanding impression as a Bureau representative. He has frequently represented the Bureau before various groups and does an outstanding job. Representatives of groups he has addressed have commented to the Bureau most favorably on the outstanding impression he makes.

Mr. Gray has been in grade GS-15 since 6-6-66. He is within the desirable weight limits and has exceeded the Division's overtime average during five of the past six months. He is a most qualified, capable, enthusiastic, and loyal individual and would perform duties of Section Chief of the Research-Satellite Section in an excellent manner.

RECOMMENDATION:

That SA Gray be promoted to Chief of the Research-Satellite Section, Domestic Intelligence Division, effective COB 1-10-69.

Director J. Edgar Hoover
 Federal Bureau of Investigation
 Washington, D. C.

Dear Mr. Hoover:

We have been waiting to write you to advise of the success of the Institutes on "Constitutional Democracy versus Totalitarianism" this past summer until we had received some of the evaluations from the teachers who had attended the Institutes. Each year we ask them to write to the Council personally giving their evaluation and suggestions for improvement of the Institutes. In this manner we are better able to formulate our plans for the coming year. Again this year Mr. Arbor Gray was one of the outstanding resource speakers at the Institutes. We are enclosing excerpts from some of the letters from the teachers referring to Mr. Gray's appearance at the Institutes.

It is a studied conclusion that Arbor Gray, if possible, or someone from the Department, is almost a necessity to make an Institute of this type well rounded. It also lends great stature to the Institutes to have the Federal Bureau of Investigation participate and express its views on communism in the United States at the present time.

Our sincere thanks to you and to Arbor Gray for your participation in our Institutes in 1968, and, although we will make a formal request for next year, we hope that you will consider this letter as a request for Mr. Gray, if possible, or someone from the Department, to participate in the 1969 Institutes. Our Institutes are already in the planning stage. The dates have been selected, July 14-August 8, and the Institutes will again be presented on the campuses of Appalachian State University, the University of North Carolina at Charlotte, and Wilmington College.

Cordially yours,

C. Alden Baker

Comments on Talk by Mr. Arbor Gray
of the F. B. I.
Institutes on "Constitutional Democracy
and Totalitarianism"
1968

I feel especially grateful for hearing guest lecturers of national eminence like Mr. Barnett and Mr. Gray.

Mrs. Edna Derrick
Charlotte, N. C.

I learned very much from all the speakers we had---especially Mr. Arbor Gray. He is a great speaker who really knows how to communicate his vast knowledge to others. For the benefit of those who will take the Institute in the future, I hope Mr. Gray will continue to be a guest speaker.

Miss Shirley W. Gray
Linville, N. C.

Among other things at the Institute which I would like to commend were the speakers....particularly Mr. Gray of the F. B. I.

Mrs. Anita H. Morris
Hickory, N. C.

The program was well spiced with visiting speakers such as Mr. Barnett and Mr. Gray.

William R. Griffith
Mooreville, N. C.

Guest speakers were excellent, particularly Mr. Gray.

Mrs. Margaret Crowgey
Wilmington, N. C.

Mr. Gray from the F. B. I. added greatly to the Institute.

Mrs. Shirlee Carr
Rose Hill, N. C.

I thought the highlight of the course was the visit by Mr. Gray and his authoritative lecture, along with the visit by the former State Department executive. Both men seemed to have done their homework and presented their lectures in such manner as to dispense a lot of information in a short time.

Dear General Carter:

It was indeed thoughtful of you to write on November 12th relative to the addresses Special Agent Gray delivered before your Security Week Program. I was pleased to learn that his presentations were so well received and you may be assured he appreciates, as I do, your complimentary remarks.

Sincerely yours,

Washington, D. C. 20025

Dear Mr. Hoover:

The National Security Agency has just completed its seventh annual Security Week Program. One of the high points of the program was the appearance of Mr. Arbor W. Gray, who addressed two audiences comprising nearly 1,000 of our personnel on the topic "The Current Status of Communism in the United States."

As was the case when he participated in our Security Week Program in 1964, Mr. Gray's audiences were impressed by his candor and depth of knowledge concerning the topic. He skillfully covered an enormous amount of material in a smooth, professional manner, making his presentation one of the most informative of the week.

I wish to take this opportunity to thank you for making possible Mr. Gray's participation in our program. Your assistance in the 1968 Security Week program is a continuing example of the fine cooperation that we have received from the Federal Bureau of Investigation on matters of mutual security interest.

Faithfully yours,

Dear Mr. Hoover:

On behalf of Mr. Uhl, president of Fairchild Hiller Corporation, and myself, I would like to express to you our appreciation in having Mr. Arbor Gray meet with our Corporate and divisional executives last Friday.

Mr. Gray's briefing was most timely and interesting. When I tell you that we had suggested that he spend 45 to 60 minutes in talking with us and then his presentation ran a little over an hour and a half, you will understand the approbation of the group.

I am sure that our corporate executive posture has been enhanced by Mr. Gray's visit with us. I am equally sure that his presentation will have a positive effect on the roles each of our executives play as citizens in the community where our facilities are located.

Thank you for your cooperation in making Mr. Gray's visit possible.

Dear Mr. Gray:

I wish to express my appreciation for the briefings given by you on 27 and 28 May 1969. Your presentation served to clarify a situation that for most of us is vague and often confused by grossly conflicting statements. In the current period of discontent, it was especially appropriate and beneficial to the men of this battalion to have had the opportunity to hear your stimulating, informative and thought-providing presentation.

Your command of the subject matter and your skill in presenting it evoked the interest of your audience. The questions that followed the briefing, although often sensitive, were skillfully and completely answered.

The impression which you left with the members of this battalion is most favorable and we are most grateful to you and your outstanding organization for having had the opportunity of hearing your presentation.

Dear Mr. Menhart:

Your letter was received on November 25th and the kind remarks regarding Special Agent Gray's address before National Security Agency personnel are indeed appreciated. He joins me in thanking you for your thoughtfulness.

It will not be possible to provide a representative of this Bureau to address the meeting of your Club on December 3rd. The official schedule of those of my associates who normally speak on the topics of interest to you precludes their accepting additional commitments at this time. However, if you desire an FBI speaker to talk to your Club after the first of the year on the general topic of crime, please let me know approximately three weeks in advance and I can possibly be of assistance to you.

Sincerely yours,

Dear Mr. Hoover:

A few members of our club were fortunate enough to hear Mr. Arbor W. Gray, of your staff, speak to NSA personnel during Security Week activities at that Agency of which I am a member. Mr. Gray so impressed his audience at NSA it was thought that possibly you could provide a member of your staff to present a similar talk to the Lions Club of Burtonsville, Maryland on December 3, 1969. Of course, the choice of subject would be left to the speaker; however, Communism in the U.S., Subversive Activities in the U.S., and Organized Crime in the U.S. were mentioned as possibilities by several club members.

The talk should have a time frame of about twenty to thirty minutes. Approximately sixty club members, representing a cross section of the local business community, will comprise the audience.

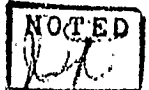

Following is the tentative schedule for the evening of December 3, 1969:

6:30	Cocktails	8:30	Business
7:00	Dinner	9:00	Adjournment
8:00	Speaker		

Of course, your representative is invited for the entire evening.

In view of the little time we have before December 3, an early reply to this request would be appreciated. If I can be of any further assistance or clarify any particulars of this request please call me on one of the numbers listed below.

Dear Mr. Hoover:

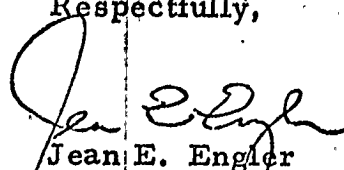

//
The American Ordnance Association, its Staff and the Members of the Missiles and Astronautics Division are most appreciative for the exceptional talk given by Mr. A.W. Gray at Aberdeen Proving Ground, Maryland on October 22, 1969.

Mr. Gray distinguished himself and was indeed a compliment to your Bureau. His presentation was factual and informative. He handled the question period admirably. Above all he presented to this group of executives a challenge toward preserving the standards on which our Nation has grown.

Mr. Gray impressed the group so that during the balance of the technical meeting many favorable remarks were passed.

You can rest assured that you and your Bureau have the support and admiration of the American Ordnance Association.

Respectfully,

Jean E. Engler

Dear Mr. Hoover:

Once again the National Security Agency was fortunate to have Special Agent Arbor W. Gray appear as a featured speaker during our annual Security Week Program. This year marked his third appearance at NSA, which is indicative of our high regard for him.

In previous visits Mr. Gray addressed two groups, comprising nearly 1,000 persons. However, because of the enormous interest in his presentation, we asked him to address three groups this year. Mr. Gray spoke to approximately 1,500 of our personnel on the topic "Extremist Organization in the United States." His extensive knowledge of the subject and professional speaking ability were most impressive.

On behalf of this Agency, thank you for making possible Mr. Gray's participation. We are grateful too for all of the support we have received from the Bureau in matters of mutual security interest.

With great regard,

Noel Gayler

Dear Director Hoover:

Again we wish to extend to you our appreciation for making available to the Institutes on "Constitutional Democracy versus Totalitarianism" this past summer Mr. Arbor Gray to explain the work of the F. B. I. in the area of citizenship education.

Again this year in our letters of evaluation from the teachers who attended the Institutes, we find that Mr. Gray was exceptionally well received, and the teachers felt that he was the outstanding resource speaker at the Institutes. His ability to communicate his thoughts to the teachers in a manner in which they, in turn, can convey to their students is one of his prime assets.

The Institutes at Appalachian State University, the University of North Carolina at Charlotte and Wilmington University were the most successful the Council has conducted in its past seven years and was attended by more teachers than ever before. We are deeply indebted to you and Mr. Gray.

We are presently planning for the 1970 series of Institutes, and it is hoped that it will be possible again to have Mr. Gray participate in the program. As soon as the plans are completed and schedules set, we shall again formally request that he or some other member of your staff participate in the 1970 Institutes.

Best wishes.

Cordially yours,

C. Alden Baker

Section Chief A. W. Gray, Research-Satellite Section, Domestic Intelligence Division, and his wife Mary desire a special tour of the White House on Thursday, October 9, 1969. They would be accompanied by out-of-town guests Dr. and Mrs. William T. Nichols and their six children.

Dr. Nichols is currently Chairman of the Department of Political Science and Economics, Converse College, Spartanburg, South Carolina. He has for the past several years been a Director of the Institutes on Constitutional Democracy and Totalitarianism at both Converse College and Appalachian State University, Boone, North Carolina, where he taught formerly.

The Director upon Dr. Nichols' request has designated Section Chief Gray to lecture before these Institutes in the past and on each occasion Dr. Nichols has been most appreciative of the Bureau's cooperation. He is a staunch supporter of both the Director and the FBI in these days when such support is extremely helpful in the academic community.

RECOMMENDATION:

That approval be given to arrange a special tour of the White House for Section Chief Gray and his guests on October 9, 1969.
